Transcribed and annotated by C. Leon Harris

[From [Revolutionary pension records in the Library of Virginia](#). The online image of the first document is partly missing, but it appears to be a power of attorney signed by Moses Green with his X in Fredericksburg VA on 7 March 1828. Online images of some other documents are illegible. None of the documents appears to give information about Green's service or the basis for his receiving a pension.]

Spotsylvania March Court 1830

Ordered that the Estate of Moses Green deceased be committed to the [illegible word] of John McCoule[?] Sheriff of this County for administration, he having been dead more than three months, and no person having applied for administration on his estate.
