Shelby Cty Ky Ag'st 6th 1819 —

I hereby certify, that Thomas Bell served as a Soldier in the Company of Capt. Windsor Brown [BLWt1816-300], of the 1st Virg'a State Reg't through the year 1777, 1778 & 1779 – and his servises were generally rendered in the Northern Army.

Given under my hand. – Elliot Rucker [S46408]

Then a first Lieut in Capt Browns Company

The affidavit of Thomas Bell of the County of Henry & state of Kentucky

The s'd Bell states that during the late war he volunteered his services & joined the company of Capt Thomas Morris of Bourbon County part of the Reg't of Kentucky volunteers commanded by Col Scott of Frankfort which was part of the Brigade commanded by Genl. John Payne of Scott County that while in the military of service of the United States against Great Britain & on the march of the army from Fort defiance to Fort Meigs the s'd Bell was detailed with others to aid in the transportation of Baggage & munitions of war; that about 1st January 1813 while in the Service & in discharge of his duty he was greatly injured & disabled by aiding the Sleds down a Bank or a Branch; that having taken one down; he was carrying down a second sled when he was pressed down with the weight of the Load; his body was thrown upon one side of a stump of a tree & his right arm on the other; in consequence of which his right arm was dislocated & after great difficulty it was restored to its place that ever since s'd injury he has been unable to use s'd arm in manual Labour; that in using s'd arm since the war his shoulder was again dislocated & at this time he is unable to use it in manual Labour & he find that he is unable to support himself as he has no profession to follow being a labourer & he has no property, – he states that he is Sixty five years old; that he served three years in the Revolutionary war & was in the Battle of Monmouth & Stony point; but has never applied for a pension for revolutionary servises because he understands that the Law [of 1818] does not embrace his case because he was of the State troops of virginia & not on Continental establishment; that he has abstained from this application [illegible word], he finds himself compelled to apply to his Country for a Pension to keep him from want & from depending upon the Bounty of his friends.
